FUSING CULTURE THROUGH FLAVOURS

With Indian food being one of the most loved cuisines across the globe, the demand for Indian spices, blended masalas and ready mixes is on the rise. The Indian cuisine is not just savoured by Indians living across the globe, but by other ethnicities as well. People from India's neighbourhood – Pakistan, Nepal, Bangladesh, Sri Lanka and Bhutan – living abroad regularly purchase Indian spices and spice mixes to cook their favourite dishes.

The natives of the land too have now begun to love and cherish the Indian food – be it tikka, kababs, biryani, samosa or curries.

Indian food is cooking up a storm where ever it goes.

Satiate the cravings for Indian cuisine with **Fresh, Flavourful, Authentic and Aromatic** spices, blended masalas, ready instant mixes and more.

**A perfect start
of the day!**

Tea is the elixir of life for every Indian. A refreshing, hot and aromatic cup of tea in the morning sets the day in motion. And that's what Gajanand Premium Tea exactly does.

Gajanand Premium C.T.C Leaf Tea is certified as the 100% original Assam Tea. It is carefully handpicked from the rich tea gardens of Assam, which gives it the distinctively refreshing taste, colour and aroma when brewed.

With stringent adherence to national and international quality standards, Gajanand Premium C.T.C Leaf Tea is rapidly making its way into different parts of the world by winning the hearts of Indians residing overseas.

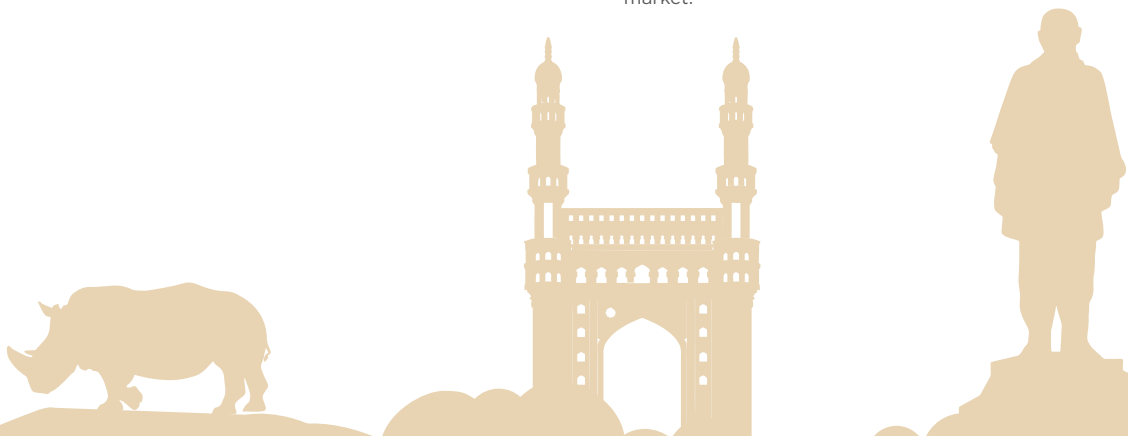

**For those who
like it strong.**

For the ones with a super active lifestyle, it takes a sip of strong tea to feel recharged and rejuvenated. Gajanand Premium 22 Keret Tea is just perfect for them.

A fine blend of strong taste and refreshing aroma, Gajanand Premium 22 Keret tea is loved for that instant boost of energy. Each tea leaf that goes into making an energizing cup of 22 Keret tea is handpicked from the select tea gardens of India to achieve desired perfection in every cup.

It is manufactured and processed under the guidance of tea blend and tea-tasting experts with organizational focus on maintaining highest standards of quality. Further, it complies with international quality standards to cater to the rising tea demands and desires of Indian community in the overseas market.
